Re: Donation for the Acton Police Department

To Whom It May Concern:

Enclosed please find two checks each in the amount of \$100. My employer, NMS Communications has matched a donation that I would like to make specifically to the Acton Police Department. The Acton Police Department provides an invaluable service to install child car seats in which Officer Kevin Heffernan has performed on two separate occasions for my cars.

If you should have any questions or comments, feel free to call me at 978-929-9763.
